Finally
Christmas!

Dear Friends,

Imagine it is a cold and clear winter's day. Everything is covered in a white blanket of snow. You are wandering through a cosy little village on a mountainside near a forest. The half-timbered houses are decked with lights and hollies, mistletoes and wreaths, ornaments and garlands. Fir trees in the streets are illuminated with lights. Children in warm winter coats, woolen hats and thick gloves are dashing and laughing through the cobblestoned streets. On your stroll, you meet friendly snowmen and a little red riding hood crosses your way. The scent of freshly baked Christmas cookies reaches your nose. From afar, you hear the sound of Christmas carols. As you wander towards the edge of the village, you take a deep breath of the fresh wintery air. Down by the forest, you can see some animals peeking out of the woods: a deer, a bear and a fox.

Did we already get you in a Christmas mood and raise the joyful anticipation for the most wonderful time of the year? Browsing through our new collection will get you even more in the mood for the holidays.

Our team prepared a lovely Christmas selection of home decoration items and gift ideas, from sparkling baubles and glamorous pendants to cosy cushions and warm glitter socks. Take your time to decide what your customers may wish for.

Even though this year brought challenging times to all of us, we hope that Christmas time will be filled with joy and happiness.
