Order No. 85923

May 2020 Colour and design changes subject to alteration.

Dear Friends,

Once upon a time three little friends, a deer, a bear and a fox sneaked out of their homes in the woods to head to the small village near the shielding forest. It was a freezing winter's night, the landscape was covered with snow. Snowflakes were gently gliding from the sky. The friends were attracted by sparkling lights and joyful singing. Out of curiosity, the animals cautiously approached one of the village's half-timbered houses. They were greeted by a funny creature made of big snowballs in front of the house. It had a friendly face with a carrot stuck in the middle of it. „Don't eat the carrot, bear!“ the fox urged. „It's his nose.“ They walked around the house and peered through a window, which was festively decorated with lights and fir branches. They were amazed by what they saw. A big fir tree was covered with shining and glittering globes, lights and ornaments. The room was illuminated with a cosy candle light. They could hear joyful carols. Young and old people were sitting around the tree, talking and laughing and a delicious smell was in the air. The hearts of the three friends were instantly filled with warmth and love. This was the first Christmas experience for deer, bear and fox. Enchanted by the joy and love, they brought the merry feast from the village to the forest and started to celebrate Christmas with all their families and friends. Since then, Christmas has been the most favourite time of the year for the three friends.

Do you love Christmas as much as the three companions do? We definitely do! Every year our team of designers and product managers create a playful and charming Christmas collection for the little ones. With its wintry motives and adorable animals, it will surely make children's eyes shine. When you browse through this catalogue, look out for our animal companions from the forest.

Wishing you a wonderful Christmas...
